PATIENT INSTRUCTIONS FOR COLLECTION OF SPERM SPECIMEN

After a minimum of 15 ejaculations, bring a sperm specimen to the office laboratory following the instructions below.

1. Specimen must be collected in clean, dry container.
2. Specimen must not be collected with condom.
3. Deliver specimen to the laboratory within 2 hours of ejaculation.
4. Specimen is accepted 8 a.m. to 4 p.m., Monday through Friday.

Tell the person at the front desk you have a specimen for the laboratory and they will give you the necessary registration form.
