

PCAA is an outstanding facility to allow for the best possible patient experience, as well as having wonderful providers and staff.

I am honored to be entrusted by my patients and thrive on providing the best medical care possible for them. I am interested in Family Practice because providers have the distinct honor of caring for entire families no matter their needs, and watching those needs change and relationships develop over the years.

Education

Physician Assistant degree:

Medical College of Ohio - Toledo, OH

Board Certification:

National Commission on Certification of Physician Assistants

Professional Interests

Pediatrics, gynecology and preventive health.

Personal

I enjoy spending time with my family, as well as playing and watching sports (Go Brewers and Packers!).

Christina Carnes, PA-C
