

Steven J. Hagen, MD

Being a physician with Primary Care Associates of Appleton allows me the freedom to practice the style of medicine I believe in most strongly, beside thoroughly professional colleagues who share the same high standards and priorities.

I believe the sacred trust between physician and patient is a powerful force to positively influence all aspects of health and well-being. I'm privileged to participate in that dynamic interaction with observable results on a daily basis.

Education

Medical degree:

Northwestern University Medical School - Chicago, IL

Residency:

UW Health Fox Valley Family Practice - Appleton, WI

Board Certification:

American Board of Family Medicine

Professional Interests

Preventive care, sports medicine, geriatrics, and pediatric and adolescent care.

Personal

My greatest joy in life is my family. Their spirit, varied talents and aspirations are my daily inspiration.
