

Primary Care Associates of Appleton provides an exciting opportunity to practice with intelligent and compassionate colleagues

As a healthcare provider, I enjoy educating and partnering with my patients to empower and guide them to make the decisions that are right for them.

Education

Medical degree:

UW School of Medicine and Public Health - Madison, WI

Residency:

UW Health Fox Valley Family Practice - Appleton, WI

Fellowship:

Aurora Women's Health Fellowship - Milwaukee, WI

Board Certification:

American Board of Family Medicine

Professional Interests

Preventive care, women's health, adolescent gynecology, integrative medicine, contraception, cancer survivorship, cardiovascular disease prevention, gynecology procedures, LGBT care, menopausal transition, and sexual health.

Personal

I enjoy hanging out with family and friends in my free time, as well as doing anything outdoors, volunteering, and traveling.

Jessica R. Johnston-Rickert, M.D., NCMP

A Closer Look...

In addition to providing healthcare for men and children, Dr. Jessica R. Johnston-Rickert also has a special interest in women's care. She has completed a unique women's health fellowship in addition to her family practice residency.

Dr. Johnston-Rickert specializes in the following areas of women's health:

- **Menopause transition** including hormonal therapy with traditional and bio-identical hormones
- **Sexual medicine** including low libido, sexual pain disorders, and problems with orgasm
- **Vulvar Dermatitis** including lichen sclerosis, lichen planus and lichen simplex chronicus
- **Recurrent vaginal infections**
- **Cancer Survivorship** including follow-up testing and promotion of well-being
