

Primary Care Associates consists of a group of respected physicians and dedicated staff, working as a team to provide comprehensive healthcare for your entire family.

As a family practice physician, I enjoy providing care to people of all ages. Encouraging preventive health and supporting patients interested in taking an active role in their own health is important to me. I have the opportunity to positively affect the lives of my patients.

Education

Medical degree:

University of Osteopathic Medicine & Health Sciences - Des Moines, IA

Residency:

UW Health Fox Valley Family Practice - Appleton, WI

Board Certification:

American Board of Family Medicine

Professional Interests

Gastrointestinal disease, preventive medicine and various procedures.

Personal

I enjoy spending time with my wife and children and in my free time, favor outdoor activities including camping, running and participating in triathlons.

Matthew S. Oetken, DO
