

Being a Family Medicine physician at Primary Care Associates of Appleton allows me to practice medicine independent of the major health systems, with the support of high quality physician partners and staff.

I grew up in a small farming town in Wisconsin where I was taught the importance of hard work, respect, trust, and community. Those values helped shape me into who I am today. I strive to engage and educate my patients so they can make the most appropriate healthcare decisions for themselves.

Education

Medical Degree:

UW School of Medicine and Public Health - Madison, WI

Residency:

UW Health Fox Valley Family Practice - Appleton, WI

Board Certification:

American Board of Family Medicine

Professional Interests

Pediatrics, women's health, and preventative care.

Personal

Outside of work I enjoy camping, kayaking, hiking, and spending time with my husband and two daughters.
